

KS3 Curriculum Evidence Pack

Alignment to the National Curriculum for England — with the Questipedia activity that covers each strand.

Key Stage	Key Stage 3 (Y7–Y9)
Framework	National Curriculum for England (DfE)
Publisher	Questipedia Ltd — UK
Pack type	Curriculum alignment evidence
Version	2026.1

How to use this pack

This pack shows how core Questipedia activities map onto the statutory strands of the National Curriculum for England. It is written for heads of department and curriculum leads carrying out due diligence before a school licence. Every activity listed here is live on the platform and available for pupils on a school licence.

Subject-by-subject mapping

Mathematics

Strand	National Curriculum reference	Questipedia activity
Algebra	Simplify expressions; solve linear equations and inequalities.	Algebra Arena — Y7/8/9 tracks.
Ratio & proportion	Change compound units; direct/inverse proportion.	Proportion Peaks.
Probability & statistics	Calculate probabilities; interpret and construct scatter graphs.	Probability Ponds, Data Docks.
Geometry	Pythagoras, area/volume of prisms, transformations.	Geometry Grove — KS3.

English

Strand	National Curriculum reference	Questipedia activity
Reading	Read a wide range of fiction and non-fiction; analytical writing.	Analytical Reading quests.
Writing	Write accurately, fluently, effectively for a range of purposes.	Essay Coach — feedback on drafts.
Grammar & vocabulary	Study origins and effects of words; formal register.	Vocab Voyage — etymology quests.

Science

Strand	National Curriculum reference	Questipedia activity
Biology	Cells, organ systems, health.	Biology Base — KS3.
Chemistry	Particles, elements, chemical reactions.	Particle Playground.
Physics	Energy, motion, waves, electricity.	Physics Field — KS3.

Computing

Strand	National Curriculum reference	Questipedia activity
Algorithms & programming	Design and use algorithms; two programming languages.	Coding Lab — Scratch + Python.

Geography

Strand	National Curriculum reference	Questipedia activity
Locational, place, physical & human geography	Extend understanding of Earth's key physical/human features.	Geography Missions — KS3.

History

Strand	National Curriculum reference	Questipedia activity
Britain 1066–present, wider world history	Coherent, chronological narrative.	History Museum time-travel quests.

Evidence & assessment notes

Assessment inside Questipedia

Every quest ends with an auto-marked outcome that lands in the teacher dashboard: percentage correct, time taken, and the specific sub-objectives the pupil got wrong. Teachers can export a class report as CSV.

Progression model

Pupils are placed on an adaptive path based on cold-start diagnostics. The path adjusts nightly using the pupil's rolling accuracy across each strand.

Inclusion & accessibility

Dyslexia-friendly font toggle, text-to-speech on all question prompts, adjustable timers, and no penalty for slower response speeds.

Safeguarding & data

See [/for-schools/safeguarding](#) and [/for-schools/data-protection](#) for detailed documentation. Pupil data is never used to train AI models.
